

## Software Guide for Certus Recording

The Certus Recording Software Guide provides information and detailed requirements for integrating the Certus Recording application. After reviewing the guide, you'll want to obtain a test account login by contacting our sales team at [info@certusrecording.com](mailto:info@certusrecording.com). If you have a question or require help with a Certus Recording technical support problem, contact us at [support@certusrecording.com](mailto:support@certusrecording.com)
